

# DECRYPTO

Decrypto

A game by **Thomas Dagenais-Lespérance**

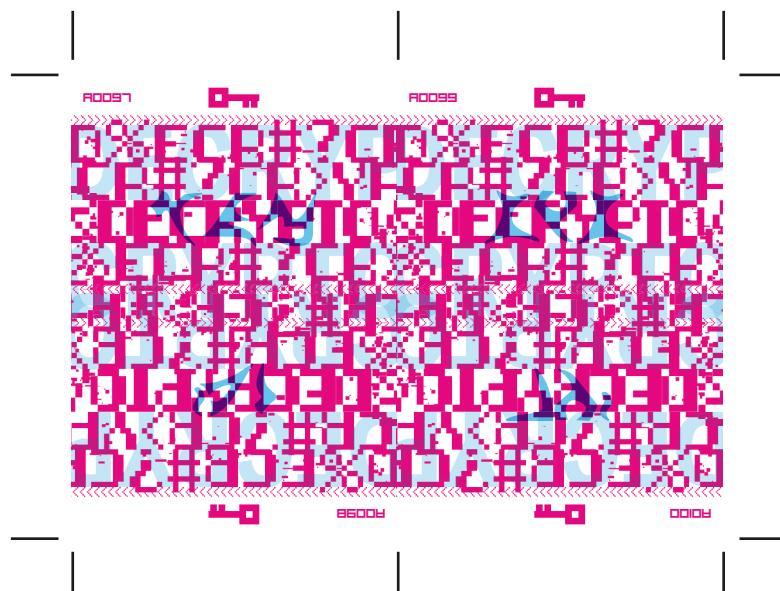

**This deck of cards is not a standalone**, you need the original **DECRYPTO** box to play it (and a solid knowledge of Klingon language). **This is a free print and play**, share it freely. Only a being with no honor would re-sell it ! Curse Well !

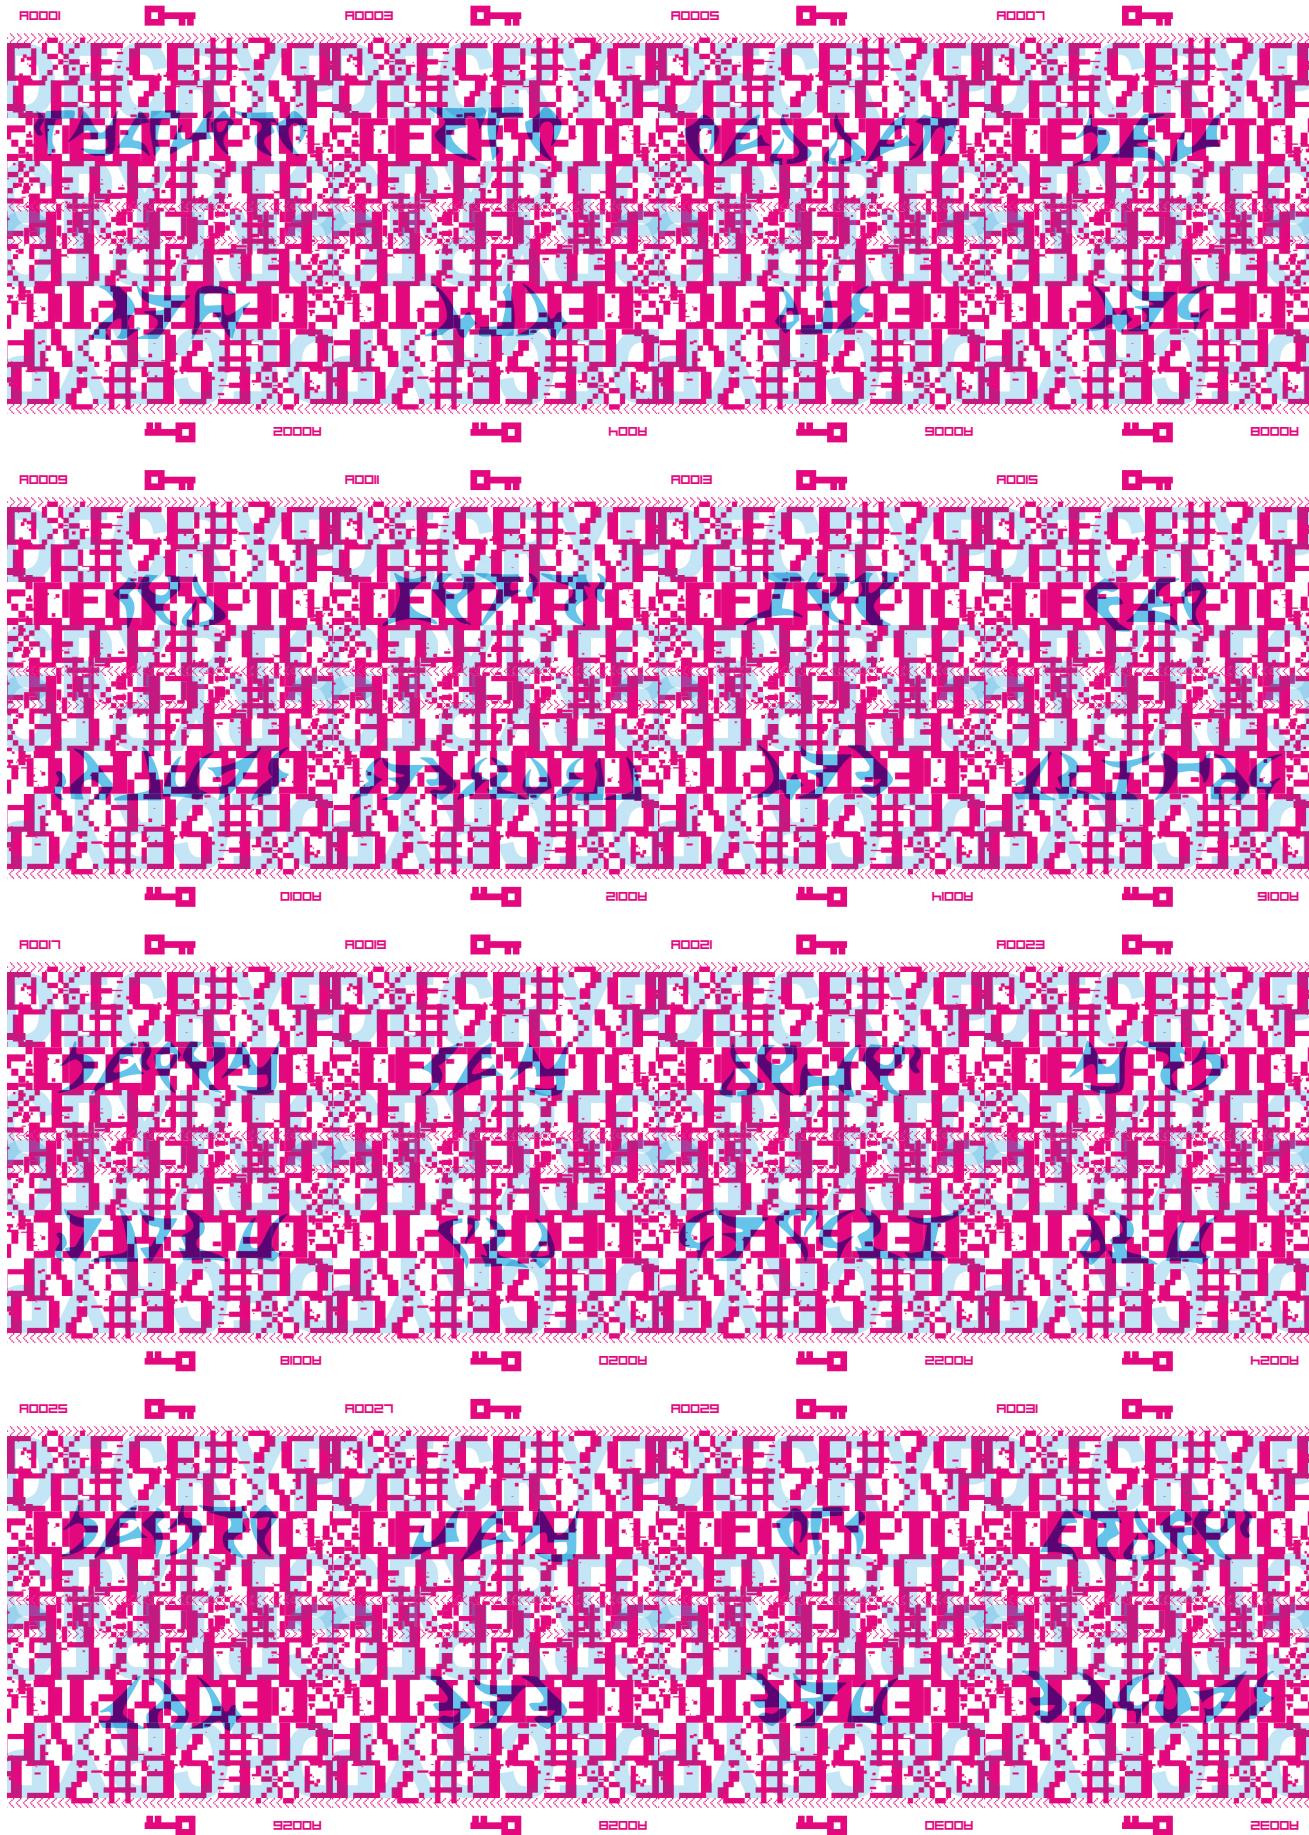

**MANY THANKS TO :**

Chris Lipscombe and Alan Anderson from the Klingon Language Institute.  
Without them this project would not have been possible.
