OPENED ALL 13 ENVELOPES.**

# ZOMBIE SWARM

For this challenge, use the Hero Powers and the Clones, **but not the Super-Zombies.**

**Use the Night side of the board**, regardless of the number of players. Put all the Zombies in the Reserve (none on the board) and all the Heroes in the Red room.

To put Zombies in play at the beginning of your turn, **roll the die twice** and each time place 1 Zombie on each Portal adjacent to the space indicated by the die. Do not place a Zombie if a Hero or a Clone is on the Portal. No Zombies enter play if you roll White or Red  on the die.

Your Hero Power **remains active** if your Clone is in play, but only your Hero can use it, not your clone.

Place a Trophy sticker on its space if you win a game with one of these configurations:

## LEVEL 01

## LEVEL 02

## LEVEL 03

**WITHOUT CLONES**
